Once the deposit is received a confirmation message will be sent to the person making the reservation.

The remaining balance is due six weeks prior to the beginning of the hire and an invoice will be sent on receipt of the payment.

Bookings cancelled within the six weeks period leading up to the date of hire will result in the booking deposit and rental charges being forfeited.

Customers are advised to obtain holiday insurance with cancellation cover to avoid such losses.

CANCELLATIONS BY HAVEN TOURERS LTD

Haven Tourers Ltd may cancel a booking, if at the time of collection, the named drivers' licences are invalid or do not comply with information previously given. In these circumstances the total hire charge will be forfeited.

In the event of a motorhome booked by a customer becoming unavailable due to collision damage, breakdown, theft or other circumstances beyond the control of the company, Haven Tourers Ltd will seek to obtain a replacement vehicle of the same size and similar specification. It should be noted that at peak holiday times this may not be possible and all money paid will be immediately refunded.

Haven Tourers Ltd will not be responsible for additional costs incurred by the customer e.g. campsites, ferry charges etc.

Haven Tourers Ltd reserve the right to refuse collection of the vehicle to anyone who, in the opinion of the company, is not suitable to be responsible for the vehicle with regard to the safety of the occupants, vehicle and other road users.

All money paid will be immediately refunded and the company will not be responsible for additional costs incurred by the customer e.g. campsites, ferry charges etc.

BEGINNING AND END OF HIRE

Collection times are 1300, 1400, 1500 and 1600 hours (depending which vehicle you have hired) however these may be subject to change if the vehicle is ready earlier or is delayed for any reason. Return time is either 1100 hours for the motorhomes or 1700 hours for the campervans on the specified date.

It is likely the vehicle will be on hire later that day, so it is essential it is returned on time.

Late returns will incur a charge of £50 per hour and part hour which will be deducted from the damage deposit. In the event of Haven Tourers Ltd becoming liable to compensate the next customer, then these costs will be passed to the hirer.

The times and dates of the rental agreement contract must be strictly complied with. Late returns invalidate the insurance cover and the driver will commit a motoring offence and become wholly responsible for any damages and personal injuries.

No refund is given for the early return of the motorhome.

For shorter hires, out with peak periods, other days and times may be available.

There is a mileage excess of 150 mile per night's hire or 1000 miles per week and a surcharge of 20p per mile will be charged for mileage in excess of these limits.

At collection time customers should allow up to an hour to be provided with an essential detailed introduction and overview of the motorhome and its facilities.

Free parking is available for one car (at owner's risk) at our storage site for the duration of the hire.

DRIVING LICENCES

The motorhomes can only be driven by the hirer or other permitted driver who has completed and signed the rental agreement. Insurance is subject to the following conditions –

- Drivers must be 25 years of age or over and under 79.

- Have held a full driving licence for a least 2 years.
- Have not had their licence suspended for any period within the last three years.
- Have been involved in more than two incidents in the last three years.
- Has not obtained a Disqualified Driver (BA), Dangerous/Reckless Driving (DD) or Theft/ Unauthorised Taking (UT) conviction.
- Has no more than 6 penalty points (from two convictions with a maximum of 3 points per conviction).
- Production at the time of collection of the photocard Driving Licence for all named drivers.
- Production at the time of collection of two forms of identity by all named drivers. One must be a full driving licence and the other one, ideally a valid passport.
- Production at the time of collection of one utility bill AND a bank statement, credit card statement or council tax bill all dated within three months of the hire, and displaying the same address as that on the driving licence.

Drivers with convictions which have resulted in a period of disqualification, or, whose licence was endorsed with six penalty points or more by a court may be covered by our insurance but will incur additional excess charges. In these circumstances enquiry must be made with the company prior to making any booking.

Customers will be asked to provide information to allow driving licence checks to be made with DVLA by Haven Tourers Ltd. These checks are made at the time of booking to ensure eligibility to drive the vehicle and around two weeks prior to the beginning of the hire to ensure compliance with the insurance requirements is maintained.

If the information found does not match that provided by the driver(s) or circumstances indicate the driver(s) is not eligible or can comply with the insurance requirements, then the booking will be cancelled and all hire costs forfeited. Haven Tourers Ltd will not be responsible for additional costs incurred by the customer eg. campsites, ferry charges etc.

INSURANCE & DAMAGE

The vehicles are comprehensively insured for the period of hire only and for the named driver(s).

An insurance excess charge is payable by the hirer in the event of a claim on our insurance for serious damage incurred. Accidental damage to the exterior of the vehicle such as bumps, scratches, dents or panel breakages or to the interior, including stains on upholstery, or marks on any of the fittings or appliances, is not covered by insurance and will be charged to the hirer.

Damage to tyres, windows and windscreens and the loss of keys are not covered by the insurance and hirers are liable for any repair or replacement costs.

If such loss or damage, or the subsequent repairs, result in the cancellation of the following hire then the hire rate for that particular motorhome will be charged to the hirer responsible.

The loss, theft or damage of personal property is not covered by the hire insurance policy and customers should consider obtaining personal or travel insurance cover.

In addition, a damage deposit of £1000 (or £1500 for two drivers) will be placed on retention on a credit/debit card prior to the beginning of the rental period. This deposit may be increased depending on a range of circumstances e.g. number and ages of drivers. The reasons for any increase will be explained and discussed with the hirer at the time of booking.

The damage deposit will be retained in part, or in full, if the vehicle is found to have sustained damage. Any refund of the deposit may take longer if quotes are required for any damage caused during the hire period.

At the discretion of Haven Tourers, damage may be paid by other means, e.g. bank transfer, rather than the card used for the damage deposit. However this must be paid at the time it is incurred and will be invoiced as appropriate, based on a quote received from a Haven Tourers approved workshop. It is not acceptable for the hirer to make enquiry with workshops regarding damage or to negotiate their own terms. In these circumstances, the damage deposit will remain active until the damage invoice is settled in full.

COLLISION OR BREAKDOWN

A breakdown and recovery service is available for the motorhomes and contact details are in the vehicle.

Haven Tourers Ltd authorise customers to spend £100 on necessary repairs and/or parts. Any repair or part costing more than £100 requires authorisation by the company.

Customers will be refunded the costs of parts or repairs on production of a valid VAT receipt.

Haven Tourers Ltd will not accept responsibility for replacement or hire vehicle costs, travel or accommodation costs or any other claim following a collision or breakdown.
